

REGION 5 REGIONAL RESPONSE TEAM MEETING

MILWAUKEE, WISCONSIN - FEBRUARY 21-22, 1996

PROPOSED AGENDA

Wednesday, February 21, 1996

10:00 a.m. Welcome & Introductions

10:15 a.m. Michigan Presentation - Paul Blakeslee (MI DEQ)

Michigan is the first State east of the Mississippi River to directly access the Oil Spill Liability Trust Fund.

10:45 a.m. Dept. of Interior Issues - Don Henne (DOI)

Mr. Henne wants to discuss what emergency response notification procedures are in place during times of furlough. Mr. Henne will also explain the natural resource damage assessment process.

11:30 a.m. One Plan Emergency Response Plan - Ann Whelan (US EPA)

This prototype plan allows industry to follow one set of guidelines for ten regulations from five separate agencies.

12:00 p.m. Lunch

1:30 p.m. State Roundtable

2:30 p.m. Effingham, Illinois Train Derailment - Jim O'Brien (IL EPA)

3:00 p.m. Break

3:15 p.m. Countermeasures Follow-Up Items - Ken Barton (NOAA)

3:45 p.m. Radiological Segment for RCP - Jack Barnette, (US EPA)

There is a new Federal Radiological Emergency Response Plan (FRERP) which gives more response authority to the US EPA. We are including a section in the RCP concerning radiological response in Region 5. Currently there is no other regional plan for radioactivity.

4:30 p.m. Adjourn

Thursday, February 22, 1996

8:30 a.m. US EPA/USCG Cross Training - Lt. Jeff Babb (MSO Chicago)

MSO Chicago and US EPA have developed a cross training program designed to enhance the response capabilities of OSC's in both organizations.

9:00 a.m. Workgroup Reports
