- 9:00 am RRT5 Business**
- Approve changes to RCP/ACP
- 9:15 am State and Federal Roundtable Reports Various**
- 10:15 am Heavy Oil Discussion/ISCO Report Out Mr Mike Rancillo, MPC**
- The International Spill Control Organization (ISCO) held a conference on non-buoyant (heavy) oils on September 9-10, 2014. The organization wanted to explore the multiple aspects of spill response for Group V classified oils, Bitumen and Dilbut with the potential for sinking and other heavy oil known to sink. Sessions were structured so response community could get better understanding of regulatory issues, scientific issues, production and transport, spill preparedness, spill management and spill response.
