

Great Lakes Freshwater Washdown:

Start Date: 2/2/2022 10:30 AM

End Date: 2/2/2022 12:00 PM

Great Lakes Freshwater Washdown:
National Marine Sanctuaries and Response Considerations

February 2nd, 2022 @ 10:30-12:00 EST

NOAA Superintendents of the Great Lakes National Marine Sanctuaries will discuss what the National Marine Sanctuary designation means for the Great Lakes. Learn about the sensitivities of the resources within the boundaries to better help responders on scene in one of these treasured coast lines.
