

State Report Outs

RRT5 

Role	RRT Member	Agency	Contact Info
Primary	Tony Falconio	IEPA	217-900-0492 Tony.Falconio@illinois.gov
Alternate	Yeric Yarrington	IEPA	217-306-3550 Yeric.Yarrington@illinois.gov

Overview

Priorities

- Created an oil production specific OSC position
- Refining incident management database and alerts

Agency Organization Chart

Accomplishments

Since last RRT meeting

Federal, state, and local Planning and Coordination Efforts		
Description	Location	Dates
Multiple LEPC Meetings	Statewide	
Multiple IEMA Regional Meetings	Statewide	
IPRA Exercises	Statewide	
Revising State EOP and transitioning to ESFs		

Outlook

Until Next RRT meeting

Federal, state, and local Planning and Coordination Efforts		
Description	Location	Dates
Multiple LEPC Meetings		
Multiple IEMA Regional Meetings		
IPRA Exercises		
Revising State EOP and transitioning to ESFs		
Additional OSC	Mt. Carmel	ASAP

Name of Incident	Teutopolis Anhydrous Ammonia Release
OSCs Responding	Swenny, May (IEPA) / Vrabec (USEPA)
Date	Sept 29, 2023
Type and Amount of Product Spilled	c. 4500 gallons of Anhydrous Ammonia
Cause of Spill	Vehicle accident
Key Operational Activities	Major local hazmat team response, evacuation of 500, mass casualty incident,
Agencies Involved	Local Responders, Local HazMat, IEPA, ISP, USEPA and Federal DOT agencies
Major Lessons Learned	Unified command never formally initiated, weekend response from IEPA, coordination between RP and their insurance for remediation

MICHIGAN DEPARTMENT OF
ENVIRONMENT, GREAT LAKES, AND ENERGY

Role	RRT Member	Agency	Contact Info
Primary	Jay Eickholt	EGLE	Phone: 517-256-4408 Email: EickholtJ1@michigan.gov
Alternate	Michael McClellan	EGLE	Phone: 517-282-8828 Email: McClellanM1@michigan.gov

Laws/Regulations/Policies/Updates

- EGLE budget for FY24 includes requirement that the department notify relevant elected officials whenever there is an event of “significance” in their area.
- Department policy making it mandatory for staff to report pollution emergencies to the department.
- New Director, Phil Roos was named in July.

Name of Incident	Motor Vessel/ Manitowoc Diesel Release
Location	Manistee, MI (Lake Michigan)
OSCs Responding	US Coast Guard, Sector Lake Michigan
Date	August 2, 2023 – August 4, 2023
Type and Amount of Product Spilled	Roughly 1,000 gallons of diesel.
Cause of Spill	Bolt sticking out from a dock in Manistee, MI punctured a 1” hole through the hull and starboard fuel tank of the vessel. Full overview tomorrow from Coast Guard.
Key Operational Activities	<ul style="list-style-type: none"> • On-water vessel response plan activation. • Oil in water reconnaissance <ul style="list-style-type: none"> • Coast Guard Overflights • Shoreline Assessment • Collection and recovery/ agitation and mixing
Agencies Involved	US Coast Guard, EGLE, Manistee County Sheriff and Emergency Management, City of Manistee
Major Lessons Learned	Virtual Unified Command works well for localized incidents, but still need local presence for field work and media inquires.

Name of Incident	Tissue Depot – Cheboygan Paper Mill Warehouse Fire
Location	Cheboygan, MI
Date	September 13, 2023
Type and Amount of Product Spilled	Recycled mixed-use plastic pieces and coal fly ash piles.
Cause of Spill	Fire in a storage warehouse across the street from a paper mill. Scrap plastic (100 tons) that was stripped from cardboard was stored in the warehouse along with coal ash. Building caught fire and burnt the plastic piles.
Key Operational Activities	<ul style="list-style-type: none"> • Air monitoring the large black plume. • Fire water run-off control. • Joint Information System and public messaging (shelter in place, press briefing).
Agencies Involved	EPA, EGLE, US Coast Guard, MI DHHS, Cheboygan County Emergency Management, City of Cheboygan.
Major Lessons Learned	Timely deployment and limited air monitoring resources becoming more of an issue as capabilities shift due to funding shortages locally and at the state level.

Role	RRT Member	Agency	Contact Info
Primary	Ryan Ricci Manager, Safety & Emergency Management	MPCA	651-757-2650 Ryan.Ricci@state.mn.us
Alternate	Dorene Fier-Tucker Supervisor, Emergency Response	MPCA	651-757-2161 Dorene.Fier-Tucker@state.mn.us
